Preface

Dahyalal Dosjibhai Choksi College of Secondary Education was established in the year 1971 with the charity of Shri D. D. Choksi Charitable Trust. The purpose of establishing this institute was to provide best secondary school teachers in Banaskantha District. The trainees get the first hand experience of teaching in the secondary schools run by our Trust at the same time our Secondary Schools are benefited by the expertise of the method masters of the College. This is a two years degree course required for the job of an upper primary, secondary and higher secondary school teacher.

Dahyalal Dosjibhai Choksi College of Secondary Education is recognized institution by UGC and NCTE affiliated to Hemchandracharya North Gujarat University, Patan and has been accredited 'B' by NAAC. And in this year 2020 College is affiliated with Indian Institute of Teachers Education (IITE), Gandhinagar.

The college has completed 44 years of illustrious service in the field of teacher education and has always achieved exceptional results in academic, cultural and other related fields. Since its foundation, our college has carved a unique place for itself in the educational superstructure of North Gujarat by dint of its pupil's marvelous accolade in academic and cultural spheres.

The college has always taken lead to provide progressive and quality teacher education by equipping each & every pupil with all the necessary virtues and traits. Dahyalal Dosjibhai Choksi College of Secondary Education has always remained committed to fulfill its social responsibility of producing value driven quality teachers to fulfill the challenging demands of 21st century.

Vision

"We strive to equip student teachers with appropriate knowledge, habits, attitudes and values. They should not only develop the necessary, competencies as teacher but they will have a desire for lifelong learning and for reaching the unreached and marginalized."

Mission

"To impart education to individuals with a view to make them assets of the modern society so that they can make the world a better place to live. The mission of the college is to prepare effective teacher, counselors, diagnosticians and school administrators, who successfully address the problem of schools and society."
