## About Vidyamandir Trust

Welcome to Vidyamandir Trust -an educational institution with a difference.

We at Vidyamandir believe that the character of a nation depends on the quality of education we provide to the young growing minds. In today's rapidly changing times of globalization, children need to be empowered to develop independence, decision making abilities and civic responsibility. Nearly seven decades ago, a group of visionaries, who believed that the best investment one could make for uplifting people of Banaskantha was to provide quality education at their doorsteps, sowed the seeds of what has now grown to be Vidyamandir Trust, Palanpur.

## About CEAM

The Council for Educational Administration and Management (CEAM) is a Registered Non- Governmental National Professional Organization founded in the year 2019 with Headquarters in Thiruvananthapuram, Kerala for prioritizing the areas and actions of Educational Administration and Management Education across the nation and beyond. The cardinal mission and vision of the organization is to foster collective development through multifarious academic initiatives pertaining to the educational realm.

## D. D. Choksi College of Sec. Education

Dahyalal Dosjibhai Choksi College of Secondary Education was established in the year 1971 with the charity of D. D. Choksi Charitable Trust. The purpose of establishing this institute is to provide best secondary schoolteachers in Banaskantha District.

## Smt. S. P. Kothari Eng. Med. College Sec. Education

## About the course

The course is about how digital cultures intersect with learning cultures online, We'll explore some of the most engaging perspectives on digital culture in its popular and academic forms, and we'll consider how our practices as teachers and learners are informed by the difference of the digital. We'll look at how learning and literacy is represented in popular digital culture, and explore how that connects with the visions and initiatives we are seeing unfold in our approaches to digital education. Teachers, learning technologists, educators and people with a general interest in education who want to deepen their understanding of what it means to teach and learn in the digital age.

## Who can attend ICT training ?

This course is specially designed for School / University Administration, Management, ICT coordinators, Web Admin, Teachers, Teacher Students (B.Ed, M.Ed), University professors, Lecturers.

## At the end of the session you will be able to:

- Get to know the best apps web platform and ICT solution for teachers & education staff.
- Learn the basic concepts of M-Learning and flipped classroom.
- Learn how to use ICT tools to make education more engaging, motivating & innovative.
- Learn how to create a website or a blog.
- Understanding and building ICT / Digital education culture in your school/University.
- Focus on critical teaching tasks and let technology do the rest.
- Use student's favorite mobile apps for learning.
- Communicate better with external stakeholders.
